Learning Discussions

WEDNESDAY 25th & THURSDAY 26th MARCH

"Education is about staying connected"

Learning Partnership Meetings will be happening at school on the afternoons of Wednesday 25th and Thursday 26th of March.

The purpose of these discussions is for you to meet with your child's teacher and get a regular update on how your child is going at school. Forming a positive, collaborative relationship with parents and whanau is very important to us and research suggests that having strong, positive partnerships between home and school can lead to greater student outcomes. These meetings are an opportunity to share information, look through your child's work, discuss their key competency ability and get a brief update on learning.

These discussions form part of our school reporting schedule so we expect to see all parents and caregivers attend. For a 10 minute meeting time please fill out the form below and return to school by Friday 13th March.

We will send interview times home on Thursday 19th of March with the newsletter.
